

The Moose Hide campaign is a grassroots movement of Aboriginal and Non-Aboriginal men who are standing up against violence towards Aboriginal women and children.

Wearing this moose hide signifies your commitment to honour, respect and protect the women and children in your life, and to work together with other men to end violence against women and children. Our vision is to spread the Moose Hide campaign to Aboriginal organizations and communities throughout Canada.

Please help make this vision a reality. Get involved. Join or start a Moose, Deer, or Bear Hide campaign in your family, organization, and community!
